EXPERIENCE

2016-PRESENT

Brown Student Agencies | Project Manager

I am responsible for forming and facilitating relationships between outside companies and Brown University to enhance daily student life while making a profit for the BSA organization.

2017-PRESENT

Brown STEAM | Co-President

I organize the Brown chapter of STEAM, a group at the intersection of STEM and art and design/humanities, and acting as the point-person for all other national and international STEAM chapters.

SUMMER 2017

iXperience | Product Management

4-week program in Cape Town where I participated in a Google Sprint, and pitched a product idea after going through the process of market research, user interviews, and launching an MVP.

SUMMER 2017

Barclays (Aliens - South Africa) | PM

I am currently interning at Barclays' development wing in South Africa, which is focused on technology research.
